## Announcements

### 1) Raffle.

Only about 4 days left on the raffle. We need everyone to get these all sold! **We currently are considering pulling out of Dayton as we are nowhere close on the raffle.**

### 2) Multi-Cam Video Recordings.

We will record April 4 for JV during the practice before the friends and family. We have 2 dates schedule for Varsity: April 5 and April 27. More on this soon.

### 3) On/Off Run Throughs.

We will be practicing this for States/Dayton on April 6<sup>th</sup> (6-7pm), April 13<sup>th</sup> (6-7pm), and April 14<sup>th</sup> (TBD). We'll need more bodies for this.

### 4) Homework Request Form.

All Varsity students have already been excused from school on April 18-19. However, it is important that you request the assignments you will be missing. There is a "Homework Request Form" on the webpage you can use for this. Print as many times as needed.

### 5) Loading and Return to WLC.

We are loading the trailers on Saturday at 7pm, taking equipment back to WLC, and unloading afterward. All members are required to help with this.
